1 1/8" TEMPERED GLASS

Installation of Aux. Rails on Sys. 2 Glass Rail

1. INSTALL HANDRAIL SYSTEM FOLLOWING GLASS RAIL INSTALLATION INSTRUCTIONS, BUT STOP PRIOR TO POURING AND ANCHORING CEMENT (POR-ROK).
2. INSTALL ALL AUX. RAIL BRACKETS AT THE LOCATION SHOWN ON OUR SHOP DRAWINGS.
3. DRILL BITS AND TAPS ARE TO BE FURNISHED BY THE ERECTOR. USE 8-32 SCREWS.
4. AFTER COMPLETING ALL INSTALLATION OF MATERIALS AND THE GENERAL CONTRACTOR HAS APPROVED ALL SPACINGS OF GLASS AND COMPONENTS, PROCEED WITH THE ANCHORING CEMENT.

If you have any questions or problems regarding these instructions, please contact Newman Brothers as soon as possible.

See Dwg #1 for more information and installation procedures.
